

Domaine de la Raimbauderie

PINOT NOIR

A.O.C. Sancerre

Roger & Didier Raimbault have been growing grapes in Sancerre for ten generations. Experience, technical savoir-faire and nature combined allow them to produce wines of great quality, respecting the typical characteristics of each vintage. The estate is located in Verdigny in the heart of Sancerre with two vineyards: Les Terres Blanches (kimmeridgian marls) and Les Caillottes (limestone). In two thirds of the vineyard area, they work the soil, and carry out griffage (a technique used to get rid of weeds). The other third is covered with grass to prevent erosion taking place on the steep slopes.

PARKER WOLF

wine & spirits

COUNTRY

France

VARIETAL

100% Pinot Noir

SOIL TYPE

Limestone, Clay

VINEYARD

200-400 Meters Altitude
Up to 40% Slope

HARVEST

By Hand / Manual Destemmed

VINIFICATION

Native Yeast Fermentation
Fermented in Stainless Steel
Direct Press just after harvest

TASTING NOTES

Aromas of Strawberry, Raspberry and bright minerals. Elegant yet with the firmness and acidity to bring a long finish.
