

## Weingut K+K Kirnbauer

### DAS PHANTOM

D.A.C. Burgenland

The K + K Kirnbauer winery is run as a family business. The family winery towers above the roofs of the Blaufränkischland. Here the sun pampers the vines 300 days a year. Together with the heavy soils, the best red wines grow here on the winery's 40 hectares of vineyards.

DAS PHANTOM. In 1987 Walter Kirnbauer realized the potential of his creation and proved he had a keen sense for marketing when he conceived a brand name for it - a novelty in the Austrian market back then. At the same time, this was also the initial spark for the ongoing success story of the cuvée culture in Austria.
