

Weingut Buchegger

RIESLING RIED VORDENBERG

D.A.C Kremstal Erste Lage ÖTW

The story began way back in 1893, and the Buchegger family has devoted itself diligently to winegrowing ever since then. Vines have a much longer tradition in Gedersdorf – first mentioned in an official document in 1190 – where most of the vineyards of the Buchegger estate are growing. At that time, the local monasteries owned vineyards and harvested the best grapes from parcels in the Holzgasse or Moosburgerin, which 800 years ago bore the same names as they do today.

In 2006, Weingut Buchegger moved its cellar to Dross, and the first harvest was vinified here that year, while the eleven hectares of vineyards naturally remained rooted in Gedersdorf. Primarily, Grüner Veltliner and Riesling grow in these vineyards, but one also finds the varieties Roter Veltliner, Chardonnay and Zweigelt.

PARKER WOLF

wine & spirits

COUNTRY

Austria

VARIETAL

100% Riesling

SOIL TYPE

Loess, Gravel
Limestone Conglomerate

VINEYARD

25old vines
1,5 ha.
Large Terraces
Orientation southeast
On the Boarder of Kremstal

HARVEST

Hand Harvested

VINIFICATION

Whole bunch pressing
Fermentation in stainless steel tanks
Mature on the fine lees

TASTING NOTES

Delicate floral, a hint of orchard peach, fresh lime zest. Juicy, elegant, white tropical fruit, delicate acidity, salty and zingy. Very giving on the attack yet still very taught with a mineral core that persists. Drinks well now or aged 10-15 years.
