RIESLING RIED GAISBERG "WAHRE WERTE"

D.A.C Kamptal Erste Lage ÖTW

The "Wahre Werte" (True Values) wines are the top of the line for the Weixelbaum family. These wines are a representation of the highest quality fruit from the most important vineyards around the village of Strass.

Kamptal boasts a variety of terroir, ranging from loess over gravel to striking parcels of primary rock and even volcanic elements. A hot and dry microclimate, the soil is geologically spectacular, as it originates from 270 million year old Permian Period, being a desert like sand-stone base with volcanic particles.
