

Château Bladinières

LA PRÉFÉRENCE

A.O.C. Cahors

Château Bladinières strives to create modern and high quality Cahors wines combining the best typical varietal Malbec and the beautiful land of the region.

It was the great-grandfather of Arnaud Bladinières whom planted the first vines of the family farm, which now has 25 hectares. In 1980, Marie-Claire and Serge Bladinières took over the estate. They expanded the vineyard plantation areas and built a winemaking and aging cellar. In 2005, Arnaud Bladinières joined his parents. New cultivation and winemaking methods are being put in place to keep improving the quality of the wines.

TASTING NOTES

A garnet-red wine with purplish tints. On the nose, the aromas of red and black fruits are nuanced by some fresh notes of mint, earth and spices. The palate, pleasantly round, medium body is marked by a hint of freshness in the finish. An ideal wine for immediate pleasure.
