### TOMMASO

I.G.T. Toscana Rosso

Our vineyards are located in the hills of the Maremma between Scansano and Magliano in Toscana, 300 meters above the Tyrrhenian Sea with a magnificent view of the islands of Giglio, Elba, Montecristo and the Monte Argentario peninsula. Right from the start, we decided for organic viticulture and refrained from farming practices that aim primarily at a high yield. It is important for us to endow our wines with aromatic depth, refinement and complexity.

Aromas of red fruits, strawberry, cassis, plum and tomatoes underscored by notes of leather, spices and salty mineral. The Tommaso derives its enormous longevity from its balance between physiologically ripe tannins, a dense and persistent fruit, the delicate acidity and a particularly elegant earthiness.
