### MENDOCINO COAST

A.V.A. Mendocino County

Father John Wines is dedicated to the late Reverend John Weaver, a renowned Episcopalian priest. Nicholas Maloney, a Sonoma native and John's grandson, operates Father John Wines. He currently lives in Beaune, France having studied at the world-re-nown Lycée Viticole.

Father John was launched in 2010. In California, he works with the Oehlman Vineyard in Graton (Russian River Valley), producing 200 cases in 2012. A Sonoma County Pinot Noir was offered in the 2014 vintage.

Maloney started making a Chardonnay from a single parcel, "Les Larrets Blancs," not far from Corton-Charlemagne and this wine was available in early 2016.
