### CHARDONNAY

A.V.A. Russian River Valley

Little Boat is a very small wine producer based out of Sonoma, California and it was established out of passion for wine and a father's, José Ignacio Cuenca, love for his son Mateo. Mateo created the artwork on the Little Boat labels. Little Boat is a group effort, and José works with Brad Alper, William Knuttel, Mike Miller, and the Treyzon family to craft these wines. They also receive help from sommeliers Harley Carbery, Phillip Dunn, Lucas Payá, and Robert Smith MS. Little Boat produces a range of wines including most notably a Russian River Valley.
