

Kings Carey

TO MARKET GRENACHE

A.V.A. Los Olivos District

Kings Carey Grenache wines come from the Midas touch of James Sparks, co-owner of Kings Carey and longtime winemaker for Liquid Farm. Sparks began sourcing fruit from Dogged Vine Vineyard a few years ago. While his Grenache wines typically are lucid, fresh, and elegant, the Dogged Vine Grenache is more muscular, savoury, and dark-fruited. Heady cranberry, blood orange, and dried rose petals envelop the senses. Cinnamon toasted cedarwood adds intrigue. Grippy citrusy acid tension frames lush red-toned fruits buoyed by supple tannins. Saltstone on the finish brings this fascinating Grenache into focus, and at 12.5%, it is genuinely and deliciously balanced.
