

Maturana Winery

VOX

SAG Maule Valley, Pre-Cordillera

Jose Ignacio Maturana saw his family house and vineyards destroyed by Chile's major earthquake in 2010. As a result, he travelled to Burgundy in 2011 to make wine during the Chilean winter. There, he immersed himself in the techniques used in the region.

Once back in Chile, he and his family started the production of unique wines that they hoped would display a sense of place and that represent a way of life. Together they created Maturana Wines, a project based on vines of more than 70 years old, which are worked completely by hand and following organic principles.

PARKER WOLF

wine & spirits

COUNTRY

Chile

VARIETAL

100% Viognier

SOIL TYPE

Sedimentary soil and fresh mountain breezes

VINEYARD

San Clemente foothills sector
The Andes: longest mountain range in the world.
Dry desert of the north to the lush desert of the south in Patagonia.
High altitude

HARVEST

Manual Harvest at night

VINIFICATION

Vinified as a red
15% fermented in skin contact
85% aging, French oak for 10 months

TASTING NOTES

Fresh and powerful with great fruit character. On the nose, this wine stands out for its floral and very fruity aromas such as apricot and other tropical fruits, aromas that contradict the flavors that we will find in the mouth. Result is a full-bodied wine with very good structure but at the same time very refreshing and juicy.
