PINOT NOIR RADIAN VINEYARD

A.V.A. Santa Rita Hills

Strive to create Pinot Noirs of textural purity, complexity and balance. Complexity and balance are achieved by meticulous attention to detail in the vineyard, where each vineyard block is managed for appropriate canopy and proper yields. Textural purity can only result where the delicate and ethereal Pinot Noir is very gently handled and manipulations in the cellar eschewed. Therefore we age our wines on their lees, without racking, with little movement and constant topping. Moreover, each wine is bottled only after sufficient time in barrel to permit ideal evolution.

We bottle single vineyard wines when wines from a particular vineyard express a unique character or sense of “place” and yet are complete wines of balance, harmony and interest.
