

Terre Rouge

TÊTE-À-TÊTE

A.V.A. Sierra Foothills

TERRE ROUGE means "Red Earth". This vermilion-colored soil is one of the hallmarks of our region. Our vineyards are in soils that are largely granite and volcanic-based. Wines made from Rhône varietals grown in the rugged and varying terroirs of this region: Syrah, Grenache, Mourvèdre, Viognier, Roussanne, Marsanne. High elevation sites up to 3200' contribute to the complexity of our wines.

Terre Rouge and Easton Wines was founded in the late 80s by husband and wife team Bill Easton and Jane O'Riordan. Bill is one of the original Rhône Rangers and pioneered the Rhône varietals in the Sierra Foothills. He received the Lifetime Achievement Award from the Rhône Rangers in 2016.

TASTING NOTES

This wine drinks like wines from solid Côtes-du-Rhône-Villages vintage: sappy, spicy, mouth-filling, and nuanced. It is an eminently enjoyable everyday bottle. This has our typically deep boysenberry fruit aromatics, with smoky/meaty/gamey complex flavor components that emphasize our terroir, and a lengthy creamy texture.
