SINGLE CASK RUM

GUYANA 2018 VERSAILLES

THE PEDIGREE

The Versailles wooden pot still is a single pot still from the 19th century estate at Plantation Versailles on the Demerara River. This single pot still is made from Guyanese greenheart wood, an extremely dense tropical wood. After the double wooden Port Mourant still, the Versailles still is one of the oldest operating wooden stills in existence. The Versailles still eventually came to Diamond Distillery, the only remaining distillery in Guyana, where this edition was produced.

AGED FIVE YEARS

Holmes Cay Guyana Versailles 2018 is a 100% molasses pot still rum aged in ex-bourbon casks in the UK for four years and one year in New York State.

JUST RUM - NO ADDITIVES OF ANY KIND

Distillation and aging alone create this historic Guyana rum's complex flavors. No sugar, no color and no other flavors were added in the making of this rum.

HIGH PROOF

The Guyana Versailles 2018 edition was bottled at 55% alcohol by volume.

LIMITED EDITION

Two casks of this edition were selected. There are few opportunities to taste a mark from this one-of-a-kind, heritage still.

TASTING NOTES

Butterscotch on the nose, along with creme brûlée and tobacco on the tongue.

RECOMMENDATIONS

Best enjoyed neat with a splash of water.
